

# Tangerine Software Awards Net at Work SEI Partner of the Year in North America

**Orlando, FL March 4, 2020**— Tangerine Software, the developer of Sage Enterprise Intelligence (SEI), Sage’s best in class Business Intelligence Solution, recognized Net at Work as North American Partner the Year for their outstanding performance in representing SEI in 2019. The award was presented to Net at Work during pre-conference festivities at the Sage Partner Summit in Orlando, FL.

Tangerine President Greg Brown stated, “Net at Work has been a great partner of ours for several years and their commitment to delivering best in class solutions to their customers, as in the case with SEI, is why they’ve been an elite Sage partner for such a long time. We are proud to have Net at Work so invested in the SEI solution and thank them for their support and partnership.”

“We are committed to unleashing the power of our clients’ business, and the way we do that is by providing the best and most appropriate transformative technology solutions available, which is why working with recognized industry-leaders such as Tangerine and their SEI solution is so important to us,” said Alex Solomon, Net at Work’s Co-Founder. “We thank them for their partnership and congratulate our entire team on this recognition”
